Export Trade Control.

...

No.96-CcW.(2)/48. - On the recommendations of the Export Advisory Council made at its meeting held at New Delhi on the 5th August, 1948, the Government of India have decided that the functions of the local committees set up in accordance with paragraph 5 of the Resolution of the Government of India in the late Department of Commerce, No.81-C.(1)/40, dated the 11th May 1940, should be altered and that local committees should also be set up at important land frontier towns where export control organisations exist. Paragraphs 4 and 5 of the said Resolution shall accordingly be modified as follows, and renumbered as paragraphs 3 & 4:-

"3. It is hoped that the Council as a whole will meet at least four times a year, and that meetings will be held not only at the Headquarters of the Government, but also, as often as possible, in the major sea port and land frontier towns, where export trade control organisations exist. When meetings of the Council are held in a sea port or land frontier town, it may prove expedient to co-opt additional members further representative of local business interests to attend such meetings.

4. It is further proposed that those members of the Council who are resident at the respective ports or land forntier towns ~~would~~ should be constituted into local committees (to which additional members may be appointed by Government, if that may appear expedient), to be presided over by the local Government of India official in charge of export regulation, in order to discharge the functions of the Council enumerated in paragraph 1 above in so far as the respective sea ports or land frontier towns are concerned."

Order - Ordered that a copy of this Resolution be forwarded to all concerned.

Ordered also that the Resolution be published in the Gazette of India for general information.
